Turquoise Collection

My Turquoise Collection features numerous pieces that include wire-wrapped necklaces, strung necklaces, gorgeous earrings, bracelets and unique pendants.

Description of this ensemble to the right. This is a wire wrapped piece measuring 20 inches in length. The large focal stone measures 35mm by 25mm, the entire pendant measures 59mm in length and it is interchangeable.

Description of additional items below...Here are a variety of pieces ranging from the raw nugget look, to wire wrapped pieces with or without focal pendants. The lengths vary from 19 1/2 inches to 23 1/4 inches making it possible to layer two or more pieces. Silver is an important addition that dates back for over a century. I will also make custom pieces according to your needs.
